Sir,

SUB:- Inclusion of the caste "Madivokkala Makkalu" in all Government Records, etc.

With reference to your letter No. M. 6236/G.M. dated the 10th November 1949, forwarding copies of two petitions received from Sri Seke Manjappa Bhangara, Sarvadhikari, Hanthur, as also copies of letters received from the Deputy Commissioners of Hassan and Chickmagalur Districts on the above subject and requesting me to furnish my opinion in the matter, I have the hono to state that the petitioner has stated that there are only 380 families and about 3000 people in the aggregate belonging to thi Sub-sect and scattered in the Malnad areas of Manjarabad, Belur, Chickmagalur, Koppa and Mudigere Taluks.

2. It appears unnecessary to separately classify this as a minor community for purposes of entry in Government records. No special case is made out for such recognition of the Sub-sect as an independent community by itself. It is not clear how their existence with the major community would jeopardise their interests. Even if Government may consider their request sympathetically their numerical strength is so poor that they could achieve very little to advance the interests of their community by cooperative effort.

Yours faithfully,

Respected sir,

On behalf of the " Madivakkalu " caste people of Hassan and Chickmagalur Districts, we, the undersigned most respectfully beg to bring the following few lines for your esteemed kind consideration and favourable orders.

Seen Secy 30/11

We are highly grateful to you, sir, for the kind interview granted to us to represent our grievances on behalf of our caste people.

There are about 500 houses of the above-mentioned ' Madivakkalu' caste, consisting of nearly 4-5 thousand people in Manjarabad and Belur Taluks in Hassan District and in Mudigere, Koppa and Chickmagalur Taluks in Chickmagalur District.

The above mentioned caste people are both socially and economically very backward. Having formed an Association of the above caste, a Meeting was held at Goneebeed Agrahar, Mudugere Taluk , under the Presidentship of Sri. S.Annappa Setty, R. A. Member, Municipal President and Coffee Planter

Planter, Chickmagalur to consider appropriate measures to better the conditions of our caste people, and as resolved therein, Sri. Annappa Setty and few others had an interview with you, sir, and you were pleased to give a patient hearing for the representations made on behalf of the above caste people. One of our grievances is that the above caste as such is omitted in the Government Census Registers and other Records.

The Madivakkalu caste is not a new one. The Caste as such has been recognised and called as such from our ancestral time. We come no where in the caste enumerated in the Government Census Register. It has been a very serious handicap for our school-going children in the matter of getting Scholarships and Free-ships.

For purposes of voting, the authorities concerned include us under different castes, as it suits them. We have been submitting applications for the inclusion of this caste as such in the Government Census Registers and other Government Records and it is learnt that the same were sent to the Deputy Commissioners of Chickmagalur and Hassan Districts for inquiry and nothing further is being done in the matter.

This caste people are the devotees of Sri Sringeri Mutt and are being called and addressed as ' Madivakkalu caste ' by the said Mutt and in

in almost all the temples in Chickmagalur and Hassan Districts sevas are being done by this caste in the said name.

We most humbly pray that your honour will be pleased to order for the inclusion of the Madivakkalu caste in the Government Census Registers and other Government Records, for which act of kindness, we shall be ever grateful to you, sir.

We beg to remain,
sir,
Yours most faithfully,

Bangalore.

Sir,

Ref: M. 11636/Census dated 16-1-1950.
Subj: Inclusion of 'Madivokkalu Makkalu in all Government Records.

With reference to your letter under advertance conveying the opinion of Government that there is no harm in mentioning the name of 'Madi Vokkalu Makkalu' as a sub-caste in the ensuing Census, I have the honour to state as follows:-

When I expressed myself against separate classification of this caste in this office letter No. 26/Census dated 26-11-1949, I did so only on general considerations. I did not then wish to bring to the notice of Government the magnitude of work involved, nor of the large number of requests such as these that invariably came up at every previous Census, not by the dozen but in hundreds. A detailed examination of the previous Census records discloses - that such representations have always been treated with disfavour, because, concession in one case would set up an inconvenient precedent for others. The Census takes in its stride something like 200 minor castes and at least half the number are numerically larger than Madi Vokkalu Makkalu. Separate classification of the latter, would inevitably encourage demands from the former for a like concession, and having favourably viewed the one, we cannot reasonably brush aside the claims of the others.

Apart from the question of principle involved in the case, the volume of work which separate classification entails is so large, that that in itself should be a sufficiently weighty consideration for turning down the present request. Something like 16 lakhs of

slips

slips will have to run through a second sort, the results finding appropriate distribution in the tabulation registers and finally in the printed volumes. It is a matter for consideration whether all this trouble and expense are necessary and justified merely to pander to the whims of a microscopic section of the population.

Further, the Census Commissioner for India is definitely not in favour of detailed caste tabulation and has indicated in the Administration Report of the 1941 Census (vide extract enclosed) that special sorting and tabulation for castes should be undertaken only on payment. It was on this principle that the 'Aryas' were separately classified on the last occasion, on what proved later to be only a token payment of Rs.100/- It is noteworthy that this was done on the recommendation of the Census Commissioner himself. The more important of the minor castes would readily agree to pay even larger sums for separate classification, and we would therefore be landing ourselves in a quandary were we to classify Madi Vokkalu Makkalu separately even on payment.

While these considerations are urged on the a priori assumption that this caste forms a section of the Vokkaligas, it is noteworthy, that the available ethnographic literature yields no tangible basis for such an assumption. Though the word 'Vokkalu' in the caste name invests the claim with a degree of plausibility, that in itself cannot be regarded as conclusive proof that they are a sub-caste of Vokkaligas any more than the name Sattada Sree Vaishnava can be accepted as evidence for treating it as a sub-caste among the Brahmins. In taking the claim of the spokesman of Madi Vokkalu Makkalu for granted, we might, for ought we know, be treading on extremely tenuous grounds.

These facts may be kindly brought to the notice of Government so that they might be pleased to reconsider their decision.

Yours faithfully,

CENSUS COMMISSIONER
FOR MYSORE.

"EXTRACT FROM THE ALL-INDIA CENSUS ADMINISTRATION REPORT 1941"

"Private interests may wish caste totals and in this case too I applied the principle that if they were wanted those desiring them should pay. The Maharaja of Darbhanga for example wished separate figures of Maithila Brahmins and Maithila speakers and when told he must pay tried to get the Government of India overrule me. I stood firm -- however and in the end they deposited the money. Other -- caste associations in Bihar paid up likewise.

Thus a precedent of great value has been established and should never be let go".

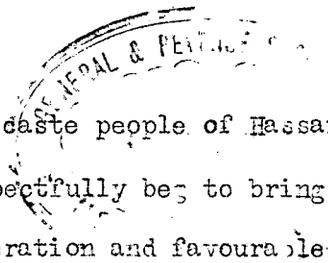
The Honourable Minister for Local Self Government,

Government of Mysore,

Bangalore.

Respected Sir,



On behalf of the "Madivakkalu" caste people of Hassan and Chickmagalur Districts, We, the undersigned most respectfully beg to bring the following few lines for your esteemed kind consideration and favourable orders.

We are highly grateful to you, sir, for the kind interview granted to us to represent our grievances on behalf our caste people.

There are about 500 houses of the above mentioned 'Madivakkalu' caste, consisting of nearly 4-5, thousand people in Manjarabad and Belur Taluks in Hassan District and in Mudigere, Koppa and Chickmagalur Taluks in Chickmagalur District.

The Above mentioned caste people are both socially and economically very backward. Having formed an Association of the Above caste, a Meeting was held at Gonebeed Agrahar, Mudigere Taluk, under the Presidentship of Sri.S.Annappa Setty, R.A.member, Municipal President and Coffee Planter, Chickmagalur to consider appropriate measures to better the conditions of our caste people, and as resolved therein, Sri.Annappa Setty and few others had an interview with you, Sir, and you were pleased to give a patient hearing for the representations made on behalf of the above caste people. One of our grievances is that the above caste as such is omitted in the Government Census and other Records.

The Madivakkalu caste is not a new one. The caste as such has been recognised and called as such from our ancestral time. We come no where in the caste enumerated in the Government Census Register. It has been a very serious handicap for our school-going children in the matter of getting Scholarships and Free-ships.

For purposes of voting, the authorities concerned include us under different castes, as it suits them. We have been submitting application for the inclusion of this caste as such in the Government Census Registers and other Government Records and it is learnt that the same were sent to the

the Deputy Commissioners of Chickmagalur and Hassan Districts for inquiry and nothing further is being done in the matter.

This caste people are the devotees of Sri Sringeri Mutt and are being called and addressed as 'Madivalkalu caste' by the said Mutt and in almost all the temples in Chickmagalur and Hassan Districts sevas are being done by this caste in the said name.

We most humbly pray that your honour will be pleased to order for the inclusion of the Madivalkalu caste in the Government Census Registers and other Government Records, for which act of kindness, we shall ever grateful to you, Sir,

We beg to remain,
Sir,
Your most faithfully,
H. B. Manjappa (Secretary)
